

# 2018 INCOME GUIDELINES

## Family Development and Rainy Day Savings Accounts

Effective January 13, 2018

Income eligibility for these programs is household income at or below 200% of the HHS Federal Household Poverty Guidelines. Round down to the nearest dollar before comparing income to this chart. Source: Federal Register 1/18/18.

| Family Size                           | Monthly Income | Annual Income  |
|---------------------------------------|----------------|----------------|
| 1                                     | \$2,023        | \$24,280       |
| 2                                     | \$2,743        | \$32,920       |
| 3                                     | \$3,463        | \$41,560       |
| 4                                     | \$4,183        | \$50,200       |
| 5                                     | \$4,903        | \$58,840       |
| 6                                     | \$5,623        | \$67,480       |
| 7                                     | \$6,343        | \$76,120       |
| 8                                     | \$7,063        | \$84,760       |
| <b>Add for Each Additional Person</b> | <b>\$ 720</b>  | <b>\$8,640</b> |

This chart is for use in determining eligibility for FDAs and RDSAs. The FDA program is administered by the Maine FDA Coalition. The Rainy Day Savings program is administered through New Ventures Maine and is funded in part by the John T. Gorman Foundation. For more information please call 1-800-442-2092.
